

BFS Pallet Gate Systems - Privacy Statement

Effective Date 25th May 2018

Your privacy is important to us. We are committed to safeguarding the privacy of our website visitors. This Privacy Statement describes the way in which BFS Pallet Gate Systems (otherwise referred to herein as "we" or "us") deal with the information and data you provide to us to enable us to manage your relationship with BFS and your use of the BFS Website

We will process any personal information provided to us through our enquiry forms or otherwise held by us relating to you in the manner set out in this Privacy Statement. By submitting your information to us and using the Website you confirm your consent to the use of your personal information as set out in this Privacy Statement. If you do not agree with the terms of this Privacy Statement, please do not use the Website or otherwise provide us with your personal information.

Collection of Information

We collect the following information and data:

1. information that you provide to us by filling in forms on the Website or any other information you submit to us via the Website or email; this includes your name, postal address, email address and phone number;
2. records of correspondence, whether via the Website, email, telephone or other means.

Use of Information

We may use your personal information and data together with other information for the purposes of:

1. processing your enquiries;
2. complying with our legal and regulatory duties;
3. maintaining customer personal profiles;
4. providing you with information about promotional offers and our products and services, where you have consented; and

5. improving the Website and better tailor it to meet your needs, so as to provide you with a smooth, efficient, experience while using the Website.

We will not sell or disclose your information to any third party, other than under statutory obligations.

Information Storage, Protection and Retention

We will take all reasonable steps to ensure that your information is kept secure and protected in compliance with applicable law.

We will retain your data for the period you are a customer of BFS Pallet Gate Systems.

International Data Transfers

Collection and processing of information can involve transmission of data on an international basis. Some of the data processors engaged to process personal data may be based outside of the European Economic Area (EEA). By browsing the Website and communicating electronically with us you acknowledge and agree to our (or our suppliers or sub-contractors) processing your personal data outside the EEA. When a transfer outside of the EEA is made we will take measures to ensure your data is protected to the same standards as it would be within the EEA, or by ensuring the entity is Privacy Shield certified for transfers to US-based third parties. For further information about Privacy Shield or data transfers check the European Commission Justice website.

Disclosure of Information

We are entitled to share the information we hold on you, which includes personal data, with the relevant legal authorities, and to comply with our regulatory duties.

Your Rights Over Your Personal Data

You are free to exercise your rights over your personal data including the right to: be provided access to your personal data held by us; request the rectification or erasure of your personal data held by us; request that we cease processing your data; request that we restrict the processing of your personal data in certain circumstances; request that your data be transferred to a third party (data portability); request withdrawal of previously granted consent, (however this will not invalidate any previous consented processing); and object to our continued processing of

your personal data. For more information on your rights you can use the Contact Us section below.

Changes to our Privacy Statement

We reserve the right to update/amend this Statement from time to time. Any changes we may make to our Privacy Statement in the future will be posted on this page and any such changes will become effective upon posting of the revised Privacy Statement. If we make any material or substantial changes to this Privacy Statement we will use reasonable endeavours to inform you by email, notice on the Website or other agreed communications channels.
